

The NGEC will provide national leadership in standardization, acquisition, financing and management of passenger rail equipment.

Next Generation Equipment Committee

Transportation Research Board

January 14, 2020

The NGEC will provide national leadership in standardization, acquisition, financing and management of passenger rail equipment.

Next Generation Equipment Committee

- What was the problem?
- What solutions were there to address the issue?
- Who were the right people to improve the situation?
- What was the goal?

The NGEC will provide national leadership in standardization, acquisition, financing and management of passenger rail equipment.

Standardization

- Standardized specifications
- The right actors
- The right mission
- The results speak for themselves

The NGEC will provide national leadership in standardization, acquisition, financing and management of passenger rail equipment.
